iTCCS Is Your School Management Software for the Future

Made in Texas for Texas Schools

With over four decades of public education and software development experience, iTCCS provides you with the best tools for managing your future. And iTCCS serves the needs of over 350,000 students.

We know Texas schools.

iTCCS boasts

- A 100% TSDS PEIMS success rate.
- Document attachment.
- Trusted compliance with federal and state mandates -- always free of charge -- like PEIMS, OCR, ACA, TRS TEAM, FitnessGram, and more.
- Powerful and intuitive online new student enrollment and returning student registration processes.
- Custom reporting in Business and Student applications.
- Extracts to .csv files and .pdf documents.
- Continual improvement that means we don't just keep up with technology, we drive change.
- Excellence in customer service through a state-wide support system.

Our **Employee Access** puts you in control with

- Travel reimbursement.
- A versatile leave management system.
- Multiple direct deposits.
- Earnings statements.
- IRS documents like W-2's and 1095's.
- Employee self-service.
- Employee handbook access.

And now the Texas Computer Cooperative has a powerful recruitment tool that can be used in conjunction with iTCCS or as a stand-alone system. For more information, visit us at
